

# Ed Sheeran - Beautiful People (feat. Khalid)

Tom: G  
Intro: Bm D G

[Primeira Parte]

L.A. on a Saturday night in the summer  
Sundown and they all come out  
Lamborghinis and their rented Hummers  
The party's on, so they're headin' downtown (round here)  
Everybody's lookin' for a come up  
And they wanna know what you're about  
Me in the middle with the one I'm lovin'  
We're just tryna figure everything out

[Pré-Refrão]

We don't fit in well  
'Cause we are just ourselves  
I could use some help  
Gettin' out of this conversation, yeah  
You look stunning dear, so don't ask that question here  
This is my only fear, that we become

[Refrão]

Beautiful people, drop top, designer clothes  
Front row at fashion shows  
What d'you do? and who d'you know?  
Inside the world of  
Beautiful people, champagne and rolled-up notes  
Pre-nups and broken homes  
Surrounded, but still alone  
Let's leave the party

That's not who we are (we are, we are, we are)  
We are not beautiful

Yeah, that's not who we are (we are, we are, we are)  
We are not beautiful (beautiful)

[Segunda Parte]

L.A., drove for hours last night and we made it nowhere  
I see stars in your eyes when we're halfway there (all night)  
I'm not fazed by all them lights and flashin' cameras  
'Cause with my arms around you, there's no need to care

[Pré-Refrão]

We don't fit in well  
We are just ourselves  
I could use some help gettin' out of this conversation, yeah  
You look stunning dear, so don't ask that question here  
This is my only fear, that we become
