

Ed Sheeran - Bibia Be Ye Ye

Tom: G
Intro:

[Verse 1]

G I lost my shoes last night, I don't know where I put my keys
Am I was tired and fell asleep beneath an oak tree
Am I bet my mother's proud of me from each scar upon my knuckle
Am And each graze upon my knee, and all I know
Am Is I got a cab and then threw up upon his car seat
Am He kicked me out and then I walked in the rain
Am I tell myself in every way I won't be doing this again
C And tomorrow's a brand new day

[Chorus 1]

G Someone told me, always say what's on your mind
G And I am only, being honest with you, I
G I get lonely, and make mistakes from time to time
