

# Ed Sheeran - Billy Ruskin

Tom: C

Mr Ruskin come and paint my picture  
 We're losing sleep 'cos we steal the week  
 Now who's your best friend?  
 Can you introduce me?  
 See I can't seem to even let you breathe

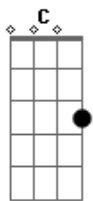

When I dance with Billy Ruskin in my mind's eye  
 Please let me forget that I'm standing on my own  
 And I am my own best friend and I need me to see  
 That I am more than what is hiding in me

Come and show me if you can

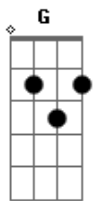

See I know you're me  
 But I can't seem to understand  
 If you know me, place my hand on mine  
 And we will resurrect the time  
 That we lost when you left my mind  
 It's psycho-paranoia disappearing in time  
 Come and show me what makes you tick  
 I need you to get out of my mind quick

When I dance with Billy Ruskin in my mind's eye  
 Please let me forget that I'm standing on my own  
 And I am my own best friend and I need me to see  
 That I am more than what is hiding in me
