Capostraste na 1º casa
                                                                Oh, no, no, don't
Intro: e Primeira Parte:
                                                              Leave me lonely now
                                                              If you loved me how'd you never learn
Primeira Parte (Saida do dedilhado e toque os acordes):
                                                              Oh, colour crimson in my eyes
                                                              One or two could free my mind
  I've been spinning out of time
                                                             Pré-refrão:
      Couple women by my side
                                                                   This is how it ends
  I got sinning on my mind
 Sipping on red wine
                                                               I feel the chemicals
                                                              Bb C ...
                                                             Burn in my
 I've been sitting here for ages
                                                                   Fading out again
      Ripping out the pages
                                                               I feel the chemicals
                                                             Bb C GM
Burn in my bloodstream
  How'd I get so faded
  How'd I get so faded
                                                             Refrão:
Oh, no, no, don't leave me lonely now
                                                             So tell me when it kicks in
                                                             Dm Bb C GM Hum.. Hum..
If you loved me how'd you never learn
                                                             Well, tell me when it kicks in
                                                             Dm Bb C GM Hum.. Hum..
Oh, colour crimson in my eyes
One or two could free my mind
                                                             Well, tell me when it kicks in
Pré-refrão:
                                                                    All the voices in my mind
     This is how it ends
                                                             Calling out across the line
 I feel the chemicals
                                                             All the voices in my mind

Hum.. Hum.. Hum..
                                                             Calling out across the line
Segunda Parte:
                                                              All the voices in my mind
                                                             Calling out across the line
 I've been looking for a lover
                                                              Quarta Parte:
      Thought I'd find her in a bottle
  God, make me another one
                                                              Tell me when it kicks in
