

Ed Sheeran - Boat

tom:
Capostrate na 4ª casa

Em **D**
Came in through the embers
Cadd9
Stayed out for the breeze
Em **D**
I need to feel elements to remind me
Cadd9
There's beauty when it's bleak
Em **D** **Cadd9**
Stuck out long before lights down
Cadd9
What do I breathe? Oh, I know
G **D** **Cadd9**
The more that I love, the less that I feel
G **D** **Cadd9**
The times that I jumped never were real
G **D** **Cadd9**
They say that all scars will heal, but I know
Em **D** **Cadd9**
Maybe I won't
G **D** **Em** **D** **Cadd9**
But the waves won't break my boat
G **D** **Em** **D** **Cadd9**
But the waves won't break my boat
Em **D**
Stones crashed on the boardwalk
Cadd9
Wind rushed through the trees
Em
I'll keep my eyes peeled

D
The memories always fall short
Cadd9
Of what we could've been
Em **D**
Let that long for last call
Cadd9 **Cadd9**
What do I need? Oh, I know
G **D** **Cadd9**
The more that I love, the less that I feel
G **D** **Cadd9**
The times that I jumped never were real
G **D** **Cadd9**
They say that all scars will heal, but I know
Em **D** **Cadd9**
Maybe I won't
G **D** **Em** **D** **Cadd9**
But the waves won't break my boat
G **D** **Em** **D** **Cadd9**
But the waves won't break my boat
G **D** **Em** **D** **Cadd9**
But the waves won't break my boat
G **D** **Em** **D** **Cadd9**
Waves won't break my boat
G **D** **Cadd9**
The more that I love, the less that I feel
G **D** **Cadd9**
The times that I jumped never were real
G **D** **Cadd9**
They say that all scars will heal, but I know
D **Cadd9**
Or maybe I won't
G **D** **Em** **D** **Cadd9**
And the waves won't break my boat
