

Ed Sheeran - Borderline

tom:

A

[Primeira Parte]

Sadness always finds an in
Sneaks its way past
And infecting everything
And every chapter has an end
But this is one momentous
Sequel don't you think?

[Pré-Refrão]

And the blackbirds they fly
Like a frown on the skyline

[Refrão]

Right now I feel I'm running
From the light
Engulfed in darkness
Shielded from my eyes
One foot in, one out
I'm stuck on the borderline
Which way will I?

[Segunda Parte]

Guess I should take
This on the chin
But I don't even know
How all of this began
We are made to mould and bend
How can I wish for nothing
When it's still a sin?

[Refrão]

Right now I feel I'm running

From the light

Engulfed in darkness

Shielded from my eyes

One foot in, one out

I'm stuck on the borderline

Which way will I?

[Ponte]

Tears never arrive

These ducts are dry

We are so blind

Waiting on the borderline

Waiting on the borderline

[Terceira Parte]

So I will pour another drink

And try to drown the pain

With salt along the rim

And I'll shut

Off the things I think

?Coz nothing good will

Ever come from worrying

[Refrão]

Right now I feel I'm running

From the light

Engulfed in darkness

Shielded from my eyes

One foot in, one out

I'm stuck on the borderline

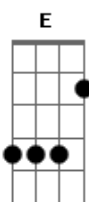

Which way will I?

Tears never arrive

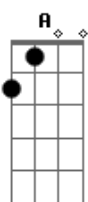

These ducts are dry

We are so blind
