

Ed Sheeran - Camera

tom:
Intro: D A D A

[Primeira Parte]

D
You should see the way the stars
A D
Illuminate your stunning silhouette
D
You're glowing in the dark
A D
I had to count to ten and take a breath
D
You think that you don't have
A D
Beauty and abundance but you do
A
And that's the truth

[Pré-Refrão]

Bm A
You're frozen in motion
G
A perfect picture in the frame
Bm A G
Some visions don't ever fade

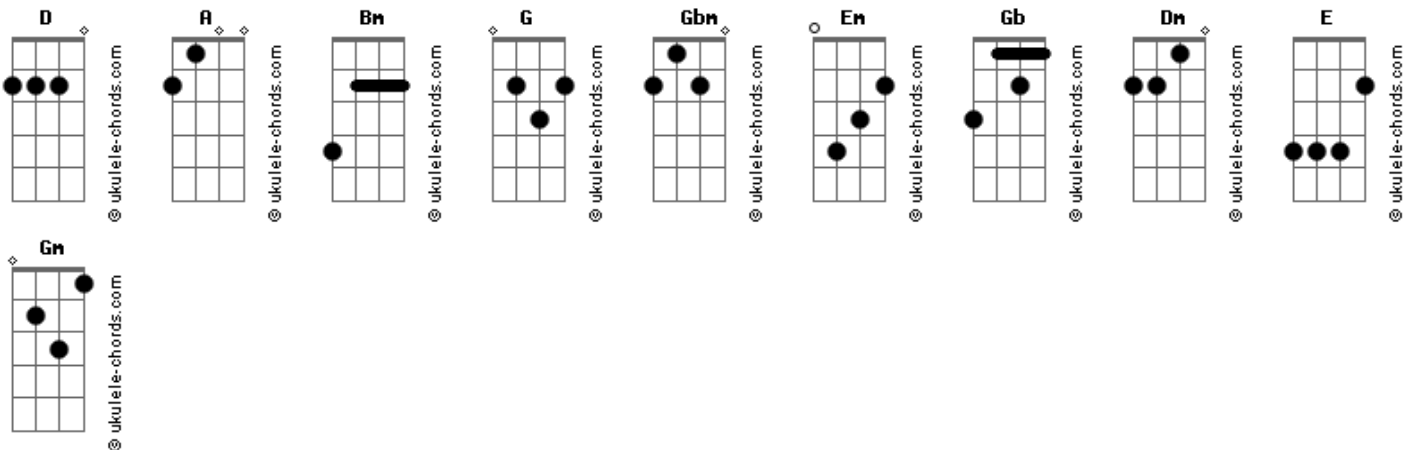

[Refrão]

N.c.
I don't need a camera to capture this moment
Gbm A D Bm Gbm
I'll remember how you look tonight for all my life
A D Bm Gbm
When everything is black and white, your colour's exploding
A D Bm
There's somethin' in the way you shine
G A
I don't need a camera when you're in my eyes

[Segunda Parte]

D D
You should see the way this night
Em A D
Is unfolding beautifully for us
D
It's getting late, but I don't mind
Em A D
We'll take this in until the sun comes up
D
And I think that what we have

Acordes

Em A D D
Is like every dream I had came true
Em A
Lying here with you

[Pré-Refrão]

Bm A
A photo could not show
G A
The way my heart is beating, babe
Bm A G
Some visions don't ever fade

[Refrão]

N.c.
I don't need a camera to capture this moment
A D Bm Gbm
I'll remember how you look tonight for all my life
A D Bm
When everything is black and white, your colour's exploding
A D Bm
There's somethin' in the way you shine
G
I don't need a camera when you're in my eyes

[Ponte]

Bm Gb
And then the flash is gone
Dm E
But I keep holding on
G
To every little detail in the fabric of the night
A D
Never letting go of that inside
Bm Gbm A
D Bm G

[Refrão]

D Bm Gbm
I don't need a camera to capture this moment
A D Bm Gbm
I'll remember how you look tonight for all my life
N.c.
When everything is black and white, your colour's exploding
A D Bm
There's somethin' in the way you shine
G
I don't need a camera
Gm D
When you're in my eyes
