

Ed Sheeran - Candle In The Wind

```
(forma dos acordes no tom de C )
Capostraste na 4º casa
Intro: C G C
Goodbye, Norma Jean
Though I never knew you at all
You had the grace to hold yourself
While those around you crawled
They crawled out of the woodwork
And they whispered into your brain
They set you on the treadmill
And they made you change your name
And it seems to me you lived your life
Like a candle in the wind
Never knowing who to cling to
When the rain set in
And I would have liked to have known you
But I was just a kid
Your candle burned out long before
Your legend ever did
Haaaaa haaaaa
Loneliness was tough
The toughest role you ever played
Hollywood created a superstar
And pain was the price you paid
Even when you died
Oh, the press still hounded you
```

All the papers had to say Was that Marilyn was found in the nude And it seems to me you lived your life Like a candle in the wind Never knowing who to cling to When the rain set in And I would have liked to have known you But I was just a kid Your candle burned out long before Your legend ever did Goodbye, Norma_Jean Though I never knew you at all You had the grace to hold yourself While those around you crawled Goodbye Norma Jean From the young man in the twenty second row Who sees you as something more than sexual More than just our Marilyn Monroe And it seems to me you lived your life Like a candle in the wind Never knowing who to cling to When the rain set in And I would have liked to have known you But I was just a kid Your candle burned out long before
