

# Ed Sheeran - Dive

Tom: E

E  
Maybe I came on too strong  
Dbm7 A B  
Maybe I waited too long  
E  
Maybe I played my cards wrong  
  
Oh just a little bit wrong  
Dbm7 A B  
Baby I-I-I apologize for it

A  
I could fall or I could fly  
Dbm7  
Here in your airplane  
Abm7  
I could live, I could die  
A  
Hanging on the words you say  
A  
I've been known to give my all  
Dbm7  
And jumping in harder than  
B  
Ten thousand rocks on the lake

E  
So don't call me baby  
Dbm7 A B  
Unless you mean it  
E  
Don't tell me you need me  
Dbm7  
If you don't believe it  
A B  
So let me know the truth  
Dbm7 B Abm7 E  
Before I dive right into you

E  
You're a mystery  
  
I have traveled the world  
Dbm7 A B  
And there's no other girl like you, no one  
E  
What's your history?  
Dbm7  
Do you have a tendency to lead some people on?  
A B  
Cause I heard you do

A  
I could fall or I could fly  
Dbm7  
Here in your airplane

Abm7  
I could live, I could die  
A  
Hanging on the words you say  
A  
I've been known to give my all  
Dbm7  
And lie awake, every day  
B  
Don't know how much I can take

E  
So don't call me baby  
Dbm7 A B  
Unless you mean it  
E  
Don't tell me you need me  
Dbm7  
If you don't believe it  
A B  
So let me know the truth  
Dbm7 B Abm7 E  
Before I dive right into you  
  
[Solo]

A  
I could fall or I could fly  
Dbm7  
Here in your airplane  
Abm7  
I could live, I could die  
A  
Hanging on the words you say  
A  
I've been known to give my all  
Dbm7  
Sitting back, looking at  
B  
Every mess that I made  
(Play for last line...)

E  
So don't call me baby  
Dbm7 A B  
Unless you mean it  
E  
Don't tell me you need me  
Dbm7  
If you don't believe it  
A B  
So let me know the truth  
Dbm7 B Abm7 E  
Before I dive right into you  
Dbm7 B Abm7 E  
Before I dive right into you  
Dbm7 B Abm7 E  
Before I dive right into you

## Acordes
