

Ed Sheeran - Dive

Tom: E

E
Maybe I came on too strong

Dbm A B
Maybe I waited too long

E
Maybe I played my cards wrong

Oh just a little bit wrong

Dbm A B
Baby I-I-I apologize for it

A
I could fall or I could fly

Dbm
Here in your airplane

Abm
I could live, I could die

A
Hanging on the words you say

A
I've been known to give my all

Dbm
And jumping in harder than

B
Ten thousand rocks on the lake

Abm
I could live, I could die

A
Hanging on the words you say

A
I've been known to give my all

Dbm
And jumping in harder than

B
Ten thousand rocks on the lake

E
So don't call me baby

Dbm A B
Unless you mean it

E
Don't tell me you need me

Dbm
If you don't believe it

A B
So let me know the truth

Dbm B Abm E
Before I dive right into you

E
You're a mystery

I have traveled the world

Dbm A B
And there's no other girl like you, no one

E
What's your history?

Dbm
Do you have a tendency to lead some people on?

A B
Cause I heard you do

A
I could fall or I could fly

Dbm
Here in your airplane

Abm
I could live, I could die

A
Hanging on the words you say

A
I've been known to give my all

Dbm
And lie awake, every day

B
Don't know how much I can take

E
So don't call me baby

Dbm A B
Unless you mean it

E
Don't tell me you need me

Dbm
If you don't believe it

A B
So let me know the truth

Dbm B Abm E
Before I dive right into you

[Solo]

A
I could fall or I could fly

Dbm
Here in your airplane

Abm
I could live, I could die

A
Hanging on the words you say

A
I've been known to give my all

Dbm
Sitting back, looking at

B
Every mess that I made

(Play for last line...)

E
So don't call me baby

Dbm A B
Unless you mean it

E
Don't tell me you need me

Dbm
If you don't believe it

A B
So let me know the truth

Dbm B Abm E
Before I dive right into you

Dbm B Abm E
Before I dive right into you

Dbm B Abm E
Before I dive right into you
