

# Ed Sheeran - Don't

Tom: **Ab**  
Intro: e Primeira Parte:

I met this girl late last year  
She said, "don't you worry if I disappear"  
I told her I'm not really looking for another mistake  
I called an old friend thinking that the trouble would wait

But then I jump right in a week later return  
I reckon she was only looking for a lover to burn  
But I gave her my time for two or three nights  
Then I put it on pause until the moment was right

I went away for months until our paths crossed again  
She told me, "I was never looking for a friend"  
Maybe you could swing by my room around 10  
Baby, bring a lemon and a bottle of gin  
We'll be in between the sheets until the late a.m  
Baby, if you wanted me then you should've just said

Segunda Parte:

For a couple weeks I  
Only want to see her  
We drink away the days with a take away pizza  
Before a text message was the only way to reach her  
Now she's staying at my place and loves the way I treat her

Singing out aretha  
All over the track like a feature  
Never want to sleep I guess that I don't want to either  
But me and her we make money the same way  
Four cities, two planes the same day

Those shows have never been what it's about  
But maybe we'll go together and just figure it out  
I'd rather put on a film with you and sit on the couch  
But we should get on a plane  
Or we'll be missing it now

Wish I'd have written it down  
The way that things played out  
When she was kissing him  
How I was confused about  
She should figure it out

Terceira Parte:

On my hotel door  
I don't even know if she knows what for  
She was crying on my shoulder  
I already told ya  
Trust and respect is what we do this for

I never intended to be next  
But you didn't need to take him to bed that's all  
And I never saw him as a threat  
Until you disappeared with him to have sex, of course

It's not like we were both on tour  
We were staying on the same fucking hotel floor  
And I wasn't looking for a promise or commitment  
But it was never just fun and I thought you were different

This is not the way you realize what you wanted  
It's a bit too much too late, if I'm honest
