Ah-la-la-la-la

Em Bm
I met this girl late last year

C D
She said don't you worry if I disappear

Em Bm
I told her I'm not really looking for another mistake

C D
I Called an old friend thinking that the trouble would wait

Em Bm
But then I jump right in

C D
A week later return

Em Bm
I reckon she was only looking for a lover to burn

C D
But I gave her my time for two or three nights

Em Bm C D
Then I put it on pause until the moment was right

Em Bm
I went away for months until our paths crossed again

C D
She told me I was never looking for a friend

Em Bm
Maybe you could swing by my room around 10

C D
Baby bring a lemon and a bottle of gin

Em Bm
We'll be in between the sheets until the late AM

C D
Baby if you wanted me then you should've just said

Em Bm
She's singing

C D
Ah-la-la-la-la

Em Bm
Don't fuck with my love

C D
That heart is so cold

Em Bm
All over my arm

C D
I don't wanna know that babe

Em Bm
Ah-la-la-la-la

C D
Don't fuck with my love

Em Bm
I told her she knows

C D
Take aim and reload

Em Bm
I don't wanna know that babe

C D
Ah-la-la-la-la

Em Bm
For a couple weeks I

C D
Only want to see her

Em Bm
We drink away the days with a take away pizza

C D
Before a text message was the only way to reach her

Em Bm
Now she's staying at my place and loves the way I treat her

C D
Singing out Aretha

Em Bm
All over the track like a feature

C D

Never want to sleep I guess that I don't want to either

Em Bm
But me and her we make money the same way

C D
Four cities, two planes the same day

Em Bm
Those shows have never been what it's about

C D
But maybe we'll go together and just figure it out

Em Bm
I'd rather put on a film with you and sit on the couch

C D
But we should get on a plane

Em Bm
Or we'll be missing it now

C D
Wish I'd have written it down

Em Bm
The way that things played out

C D
When she was kissing him

Em Bm
How? I was confused about

C D
She should figure it out while I'm sat here singing

Em Bm
Ah-la-la-la-la

C D
Knock knock knock on my hotel door

Em Bm
I don't even know if she knows what for

C D
She was crying on my shoulder

Em Bm
I already told ya

C D
Trust and respect is what we do this for

Em Bm
I never intended to be next

C D
But you didn't need to take him to bed that's all

Em Bm
And I never saw him as a threat

C D
Until you disappeared with him to have sex of course

Em Bm
It's not like we were both on tour

C D
We were staying on the same fucking hotel floor

Em Bm
And I wasn't looking for a promise or commitment

C D
But it was never just fun and I thought you were different

Em Bm
This is not the way you realize what you wanted

C D
It's a bit too much, too late if I'm honest

Em Bm

All this time God knows I'm singing

C
Ah-la-la-la-la
