(G D) (4 Tempos)

Em C
I didn't mean to break your heart
G D
I was just lonely
Em C G D
And everybody falls apart sometimes
Em C
I know you found another one
G D Em C G D
But Won't you just hold me tonight

Em C
I wish I never caught you up
G D
And nobody told me
Em C G D
And They don't know we don't speak anymore
Em C
So take a good look at us
G D Em C G D
And won't you just hold me tonight

And I was
Am7 C C
Stop trying to fall in love again
G
And keep it a secret
Bm
It never works out anyway, but I am
Am7 C C
Not anything like I was
G Bm
Cause you were the only one for me, yeah

C G D
Cause maybe I don't wanna loose a lover and a friend
Em
in one night if that's alright
D G
I shouldn't have fucked with your mind
C G
And your life too many times
C G
And maybe I don't wanna be lonely
D Em Am7
Darling you are my only love
C C
Behind my truth lies
G
Everything you are

G D (2 Tempos)

Em C

I never meant to sleep around

G D

I was just lonely

Em

And you did the same again and again and again woooh, I know (MUDO)

Em

So here's to the both of us

G D

Here's to our story tonight

Oh I was

Am7

Stop trying to fall in love again

And keep it a secret

Em

It never works out anyway, But I am

Am7

Not anything like I was

And your life too many times

C

And maybe I don't wanna be lonely

D

Darling you are my only love

C

Behind my truth lies

C

Everything you are

G

(2 bars)

Am7

When I see my future

G

It is with you, get that

Am7

And I want my children to be with you, get that

C

Cause maybe I don't wanna loose a lover and a friend

Em

in one night if that's alright

D

I shouldn't have fucked with your mind

C

And your life too many times

C

And maybe I don't wanna be lonely

D

Darling you are my only love

Am7

Behind my truth lies everything you are

Am7

Behind my truth lies everything you are

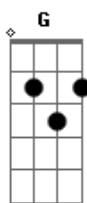

Am7

Behind my truth lies everything you are
