

Ed Sheeran - Feels (feat. Young Thug & J Hus)

```
Knockin' boots backstage at the Wireless
                                                            She contagious like poison ivy
m (forma dos acordes no tom de Am )
                                                            [Refrão]
Capostraste na 2º casa
                                                            Baby, I got the feels, yeah
           Am F
                                                            Say that I'm out my mind
    Ba-da-boom, ba-da-bing
                                   Am F G
                                                                    G
                                                            But it's somethin' real
You done knocked me right off of my feet
[Refrão]
                                                            Somethin' real
                                                                             Am
                                                            Em
                                                                     G
                                                              Am
Baby, I got the feels, yeah
                                                            I waited most my life for somethin' real
Say that I'm out my mind
                                                                            Em G Am F
        G
                                                            Baby, I got the feels for ya
                  Am F
But it's somethin' real
                                                                            Em
                                                            Baby, I got the feels for ya
Somethin' real
                                                            [Segunda Parte]
               Am
Ooh, I got the feels, yeah
               Em
                                                            Used to be Playboy heartbreaker
I waited most my life for somethin' real
               Em G Am F
                                                            But for you, I'll travel a thousand acres
Baby, I got the feels for ya
                                                                    Am
                                                            When we met, I told her I play for Lakers (Alright)
Baby, I got the feels for ya
                                                            One day, we'll get married in Las Vegas (Nah)
[Primeira Parte]
                                                            I'm good for your health, this can't be a sin (Alright)
Jump into the crowd
                                                            This love give you protein and vitamin (Yeah)
Leave your hand in the sky, babe
                                                             See you wigglin', jigglin' (Mmm)
   Fm
           G
No hand, no nothin'
                                                            If I have a bite, will it taste like cinnamon? (One)
                                                            This is one in a million
Gotta trust your crowd
     F
                                                                 G
Gotta land in a cloud, babe
                                                            So I never ever treat you like Billie Jean
                                                            Ain't nothin' like anything I ever really seen
(Baby, I got that feeling)
                                                            And you give me this feel if you know what I mean
I don't know why you do this to me
                                                            [Refrão]
                          G
I tried to tell 'em not to do it this loud
                                                                            Am
                                                            Baby, I got the feels, yeah
I tried to tell 'em not to bust
                                                                   G
          Am
It out the wrap' 'til we leave
                                                            Ba-da-boom, ba-da-bing
                                                                      Em
I was thinkin' suicide for the ride, plus
                                                            You done knocked me right off of my feet
                      Am
                                                                            Am
I done went and bought a car with the title
                                                            Baby, I got the feels, yeah
                                                                                               Am F
                       G
                                                                             Fm
Told the promoters have her on the rider
                                                            I waited most my life for somethin' real
Em G Am
                                                            Baby, I got the feels for ya
