(com acordes na forma de **G**)
Capostrate na 2ª casa
[REFRÃO]

Em She played the fiddle in an **G** Irish band
D But she fell in love with an **C** English man
C Kissed her on the neck and then I took her by the hand
D Said baby I just want to dance

Em I met her on **G** Grafton street right outside of the bar
D She shared a cigarette with me while her brother played the guitar
Em She asked me what does it mean the Gaelic ink on your arm?
D Said it was one of my friend's songs do you want to drink on?
Em She took Jamie as a chaser, Jack for the fun
D She got Arthur on the table, with Johnny riding as a shotgun
Em Chatted some more, one more drink at the bar
D Then put Van on the jukebox, got to dance, you know

[REFRÃO]

Em You know she beat me at darts and then she beat me at pool
D And then she kissed me like there was nobody else in the room
Em As last orders were called was when she stood on the stool
D After dancing to Cèilidh singing to trad tunes
Em I never heard Carrickfergus ever sing so sweet
D A capella in the bar using her feet for the beat
Am Oh, I could have that voice playing on repeat for a week

D And in this packed out room swear she was singing to me

Em Now we've outstayed our welcome and it's closing time
D I was holding her hand, her hand was holding mine
Em Our coats both smell of smoke, whisky and wine
D As we fill up our lungs with the cold air of the night
Em I walked her home then she took me inside
D Finish some Doritos and another bottle of wine
Em I swear I'm going to put you in a song that I write
D About a Galway Girl and a perfect night
