

## **Ed Sheeran - How Would You Feel (Paean)**

```
Intro: G Bm C
G Bm C
[Verse 1]
 You are the one, girl
                        G Bm C
You know that it's true
              Bm C
   I'm feeling younger
Every time that I'm alone with you
[Pre-Chorus]
   We were sitting in a parked car
   Stealing kisses in a front yard
  We got questions we shouldn't had asked but
                  G Bm C
How would you feel
                         G \ Bm \ C
If I told you I loved you
It's just something that I want to do
I'm taking my time, spending my life
Falling deeper in love with you
So tell me that you love me too
[Verse 2]
         Bm
                                G Bm C
              C
  In the summer, as the lilacs bloom
  Blood flows deeper than a river
Every moment that I spend with you
[Pre-Chorus]
  We were sat upon our best friend's roof
```

```
I had both of my arms around you
Watching the sunrise replace the moon
[Chorus]
                  G Bm C
How would you feel
                          G Bm C
If I told you I loved you
It's just something that I want to do
I'm taking my time, spending my life
Falling deeper in love with you
So tell me that you love me too
