

Ed Sheeran - I See Fire

```
Tom: Db
                                                              Hold fast and we will Dm C
                                            C )
 (com acordes na forma de
Capostraste na 1^{\underline{a}} casa Oh, misty eye of the mountain below
                                                               Watch the flames burn auburn on
                                                                    F
Keep careful watch of my brothers' souls
                                                               The mountain side
And should the sky be filled with
                                                                Dm C
Fire and smoke
                                                               Desolation comes upon the sky
Keep watching over Durin's sons
                                                               Refrão:
(Am F G Am ) 2x
                                                                         Am F
Primeira Parte:
                                                               Now I see fire
                                                               Inside the mountain
If this is to end in fire
                                                               I see fire G Am
             G
Then we should all burn together
        Am C G
                                                               Burning the trees
Watch the flames climb high into the night
     Am C G F
                                                               And I see fire
Calling out father, oh, stand by and we will Dm C
                                                               G Am
                                                               Hollowing souls
Watch the flames burn auburn on
                                                               I see fire G
The mountain side
                                                               Blood in the breeze
(Am F G Am )
                                                               And I hope that you'll remember me
                Am C
And if we should die tonight
                                                               Terceira Parte:
G F
We should all die together
Am C G Dm
Raise a glass of wine for the last time
                                                                         Dm
                                                               And if the night is burning C G
                                                               I will cover my eyes
    Am C
Calling out father
                                                                      Dm Am
                                                               For if the dark returns then
Prepare as we will Dm C
                                                               My brothers will die
Watch the flames burn auburn on
                                                                   Dm Am
                                                               And as the sky's falling down
  F
The mountain side
                                                               It crashed into this lonely town $\operatorname{\textsc{Dm}}$
  Dm C
Desolation comes upon the sky
                                                              And with that shadow upon the ground

C
F
G
I hear my people screaming out
Refrão:
Now I see fire
                                                               Refrão:
G Am
Inside the mountain
                                                                         Am F
                                                               Now I see fire
I see fire
G Am
Burning the trees
                                                               Inside the mountain
                                                               I see fire
And I see fire
                                                               Burning the trees
Hollowing souls
                                                               And I see fire
I see fire
                                                               G Am
                                                               Hollowing souls
Blood in the breeze
                                                              I see fire G Am
And I hope that you'll remember me
                                                               Blood in the breeze
(Am F G Am ) 2x
Segunda Parte:
                                                               Now I see fire
             Am
Oh, should my people fall in G
                                                               Oh, you know I saw a city burning out
                                                              And I see fire $\sf G$ {\sf Am}
Surely I'll do the same
          Am C
                                                               Feel the heat upon my skin
Confined in mountain holes
        G Dm
We got too close to the flame
                                                               And I see fire
      Am C
                                                              F G Am Uh, uh, uh..
Calling out father
```
