

# Ed Sheeran - I'm A Mess

Tom: Eb

(com acordes na forma de C )  
Capotraste na 3ª casa

Ooh i'm a mess right now

Inside out

Searching for a sweet surrender  
But this is not the end

I can't work it out  
How?

Going through the motions  
Going through us

And oh i've known it for the  
Longest time

And all of my hopes all my words  
Are all over written on the signs  
But you're on my road walking me  
Home

Home, home  
See the flames inside my eyes  
It burns so bright i wanna feel  
Your love, ohoh

Easy baby maybe i'm a liar  
But for tonight i wanna fall in  
Love

And put your faith in my-y stomach

I messed up this time  
Late last night

Drinking to suppress devotion  
With fingers intertwined

I can't shake this feeling  
No-ow

We're going through the motions  
Hopin' you'd stop

And though i've only caused you pain  
You know, but all of my words  
Will always be low  
Although all the lies we spoke  
When you're my road walking me  
Home

Home, home, home, home

see the flames inside my eyes  
It burns so bright i wanna feel  
Your love, ohoh

Easy baby maybe i'm a liar  
But for tonight i wanna fall in  
Love

And put your faith in my-y stomach

And for how long i lo-ove my  
Lover

For how long i lo-ove my lover

And now, for how long, long i

Lo-ove my lover  
Now, now, for how long, long i

Lo-ove my lover  
For how long, i lo-ove my lover  
Now now, for how long, long i lo-ove my lover
