

## **Ed Sheeran - Lately**

Tom: A

(com acordes na forma de G )
Capostraste na 2ª casa

E

I seem to find myself, talking to the powers that be
C

Awaking the shade and shadowed under towering trees
E

Admiring the scene, inhaling fumes of flowers that breathe
C

B

Jet lagged eyes are begging for an hour to sleep

E

Although my blood shot whites and iris's they never find any
C

Clock stops at times where the sun shine can blind many
C

Although my eyes are heavy they wont be closing soon

B

Cos i know that time waits for nobody, i suppose its true

We make corrosive tunes with acid tabs and vocal booths

B

To see the flashing lights at photo shoots, we make our motive moves
E

I say what ever i feel to vent a rhyme

So i can still invent the lines and stay close to the friends of mine

E G
Cos we all recognise, real is what my father says
C B
And i'll be sticking to this phrase until i pass away
E G C
Overworking, no sleep is just another way to die slow
B C D
But i'll just keep going strong as ever, never let my eyes close

E I never sleep
Am G B
E Am G
