

Ed Sheeran - Leave Your Life

tom: D

Intro: D

[Primeira Parte]

If I forget to say goodbye
Before I catch the plane
Would you know the way that I
Feel when I'm away?
We'll see the same sky tonight
But the stars are out of place
You'll never know the weight of my heart
Every time I leave you, babe

[Pré-Refrão]

It's hard to break the landing
But I'll see you again

[Refrão]

I'm never gonna leave your life
Even at the times I'm miles away, you are always on my mind
Forever and now, I will be by your side
I know it can change from day to day, but this love will keep alive
I-i-i'm, I'm never gonna leave your life
I-i-i'm, I'm never gonna leave your life

[Segunda Parte]

Oh, I could never tell you lie
Or put in words your finest traits
The darkest green and hazel eyes
And yet I can't describe the shade
You are all this heart of mine
And there you will remain

You'll never know the weight of my
Decisions when I leave your smiling face

[Pré-Refrão]

It's hard to understand it
But I'll see you again

[Refrão]

Oh, I'm, I'm never gonna leave your life
Even at the times I'm miles away, you are always on my mind
Forever and now, I will be by your side
I know it can change from day to day, but this love will keep alive
I-i-i'm, I'm never gonna leave your life
I-i-i'm, I'm never gonna leave your life

[Pré-Refrão]

It's hard to break the landing
But I'll see you again

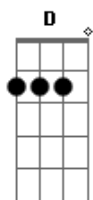

[Refrão]

I'm never gonna leave your life
Even at the times I'm miles away, you are always on my mind
Forever and now, I will be by your side
I know it can change from day to day, but this love will keep alive
I-i-i'm, I'm never gonna leave your life
I-i-i'm, I'm never gonna leave your life

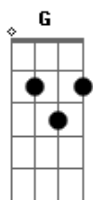

[Final]

If I forget to say goodbye
Before I catch the plane
Would you know the way that I
Feel when I'm away?
