 Shock, horror, I'm down, lost, you're not around
 Theres a lump in my chest that, **D**

 and my tongues gone silent, just switch it off and **D**
 lay it down, **C** **G** **C** **G** lay it down, next to me
 (**C**) **D** **Em**
 I dont know when I lost my mind,
 maybe when I made you mine, **G** **A7**

 maybe it was everytime, you said, you said, you said **G** **A7** **C**
 that I miss you, that I miss you **G** **Bm** **C** **D**
 (**G**)
 These words mean nothing to me,
 I'm just sitting on a fence of how it used to be, **Bm**
 these three words, are aching, constrict and suffocating, **C**
 my mind is racing with the picture I'm painting, and my bellys **G** **Bm** **D**

sick to its stomach, when I remember all the times
 he was with you when you laid it,
 down, when you lay down next to me **C** **G** **G**
 (**C**) **D** **Em**
 I dont know when I lost my mind,
 maybe when I made you mine, woah, **G** **A7**
 I dont know when I lost my mind, **C** **Em**
 maybe it was everytime, you said, you said, you said, **G** **A7** **C**
 that I miss you, more than I let on, I kissed you **G** **Bm** **C**
 for far too long, I'll let go as soon as you do, **D** **G** **Bm**
 see I know we're not through **C** **D**
 (**C**) **D** **Em**
 I dont know when I lost my mind,
 maybe when I made you mine, woah, **G** **A7**
 I dont know when I lost my mind, **C** **Em**
 maybe it was everytime, you say, you say, you say, **G** **A7** **C**
 that I miss you, that I miss you, woah **G** **Bm** **C** **D**
 (**C**) **D** **Em**
 I dont know when I lost my mind,
 maybe it was everytime, you said, you said, you said, **G** **A7** **C**
 that I miss you **G**
