

Ed Sheeran - Moments

Tom: D

Shut the door turn the light off

I wanna be with you

I wanna feel your love

I wanna be beside you

I cannot hide this even though I try

Hard beats harder

Time escapes me

Trembling hands touch skin

It makes this harder

And the tears stream down my face

If we could only have this life for one more day

If we could only turn back time

You know I'll be

Your life, your voice your reason to be

My love, my heart

Is breathing for this

Moment in time

I'll find the words to say

Before you leave me today

Close the door

Throw the key

Don't wanna be reminded

Don't wanna be seen

Don't wanna be without you

My judgement is clouded

Like the night sky

Undecided

Voice is numb

Try to scream out my lungs

But it makes this harder

And the tears stream down my face

If we could only have this life for one more day
If we could only turn back time

You know I'll be

Your life, your voice your reason to be

My love, my heart

Is breathing for this
Moment in time

I'll find the words to say

Before you leave me today

Flashes left in my mind

Going back to the time

Playing games in the street

Kicking balls with my feet

Dancing on with my toes

Standing close to the edge

There's a pile of my clothes at the end of your bed

As I feel myself fall

Make a joke of it all

You know I'll be

Your life, your voice your reason to be

My love, my heart

Is breathing for this

Moment in time

I'll find the words to say

Before you leave me today

You know I'll be

Your life, your voice your reason to be

My love, my heart

Is breathing for this

Moment in time

I'll find the words to say

Before you leave me today
