Intro: D

D)

D
Tell me that you turned down the man
Who asked for your hand
Cause you're waiting for me
D
And I know, you're gonna be away a while,
But I've got no plans at all to leave
And would you take away my hopes and dreams
And just stay with me

Refrão

D
All my senses come to life
While I am stumbling home as drunk as I
Have ever been, and I'll never leave again
Cause you are the only one
D
And all my friends have gone to find
Another place to let their hearts collide
Bm
Just promise me you'll always be a friend
Cause you are the only one

D
Take my hand and my
heart and soul I will
Only have these eyes for you
D
You know everything changes
But we'll be strangers
If we see this through.
And you could stay within these walls and bleed

Em G A
But just stay with me

I'm stumbling off drunk
Getting myself lost
I am so gone,
So tell me the way home
I listen to sad songs, singing about love
And where it goes wrong
