Ed Sheeran - One Life

```
Tom: Bb
 (forma dos acordes no tom de G)
Capostraste na 3ª casa
            G
It's such a beautiful night, to make a change in our lives
n
East Anglian sky, empty bottle of wine
Em
I got you by my side, talking about love and life
Oh how lucky am I, when I look in your eyes?
What a wonderful way, to spend a moment or two
D
To be lying awake, and be here talking to you
I got something to say, I know what I gotta do
To be making a change, now the moment of truth
Why am I so nervous?
Things are going so perfect
I don't know if it's worth it
To spend forever with you
                        D
     G
So I count to three, get on one knee
      C
                       Fm
And I ask you, darling honestly
                                  D
I've waited all this time, just to make it right
                                Em
So I ask you, tonight, will you marry me?
Just say yes
                   D
It's one word, one love, one life
G
A gentle touch of the hand, fingers running through hair
Lips pressed to my lips, oh I was caught unaware
Fm
Oh so many times, I gazed in both of her eyes
What a beautiful way to spend the rest of a life
```

G Some will reappear, burning auburn and red D I'll chest the pill, bring us home to bed
