

Ed Sheeran - One Night

Tom: A

[Verso 1]

Lying in a bedroom ^{Gbm}
 Lighting up a Benson ^A
 Face hair is growing ^E
 So I cut with a vengeance ^E
 Hey, did I mention ^{Gbm}
 As she makes an entrance ^A
 Said I had a tendency ^E
 To finish off a sentence ^E
 Oh well, she's a local girl ^{Gbm}
 No make-up ^A
 Cos she knows me well ^E
 Hair tied up in elastic band ^{Gbm}
 With a kiss on the cheek ^A
 For her one-night man ^E
 Is it fast food ^{Gbm}
 I'll regret it after ^A
 And I needed money ^E
 But I'm too shy to ask her ^E
 So she buys me chips and cheese ^{Gbm}
 And I tell her I love her ^A
 And she's all I need ^E
 I take it with a cold glass ^{Gbm}
 Of the fruit and the barley ^A
 She's still a sucker for the ^E
 Apple and Bacardi ^E
 Heading to the party ^{Gbm}
 Sitting in the car seat ^A
 B.E.P. on radio ^E
 It makes me feel naughty and lastly ^E

She knows me well ^A
 Bit of a catch ^E
 To have a local girl ^E
 Hair tied up in elastic band ^{Gbm}
 With a kiss on the cheek ^A
 For her one-night man ^E

[Pre-Refrão]

I don't wanna go alone ^{Gbm}
 I don't wanna go alone ^A

I don't wanna go alone ^E
 I don't wanna go alone~ ^{Gbm}
 I don't wanna go alone~ ^A

[Refrão]

Tell her that I love her ^{Gbm}
 Tell her that I need her ^A
 Tell her that she's more ^E
 Than a one-night stand ^E
 Tell her that she turns my cheeks ^{Gbm}
 The colour of my hair ^A
 All I wanna do is be near ^E
 Tell her that I want her ^{Gbm}
 Tell her that I need her ^A
 Tell her that she's more ^E
 Than a one-night stand ^E
 Tell her that I love her ^{Gbm}
 More than anyone else ^A
 If you don't, then I'll tell her myself ^E

(Gbm A E E)x2

[Verso 2]

We've got that love in us ^{Gbm}
 So if the drink kill us ^A
 We're gonna dance all night ^E
 Till the floor fillers ^E
 If we talk outside ^{Gbm}
 I say I hate wasps too ^A
 I don't really dance ^E
 So I'll just watch you ^E
 Are you taking me back tonight? ^{Gbm}
 Tell me if that's alright ^A
 I don't wanna be here ^E
 I'm not the sofa type ^E
 Tell me if you have a toothbrush ^{Gbm}
 You don't mind sharing ^A
 She said I wanna take off ^E
 What you're wearing ^{Gbm}

[Pre-Refrão]

I don't wanna go alone ^A
 I don't wanna go alone ^E
 I don't wanna go alone ^{Gbm}

I don't wanna go alone
I don't wanna go alone~

-Refrão x1-

[Bridge]

She's like the fast food
I'll regret it after
And I needed money
But I'm too shy to ask her
But she buys me chips and cheese
So I tell her that she's all I need

[Refrão 2]

Tell her that I
Tell her that I
Tell her that she's more than a one-night stand
Tell her that she turns my cheeks the colour of my hair

All I wanna do is be near

Tell her that I
Tell her that I
Tell her that she's more than a one-night stand
Tell her that I love her more than anyone else
If you don't, I'll tell her myself
Now tell her that I love her
Tell her that I need her
That she's more than a one-night stand
Tell her that she turns my cheeks the colour of my hair
All I wanna do is be near

Tell her that I want her
Tell her that I need her
Tell her that she's more than a one-night stand
Tell her that I love her more than anyone else
If you don't, I'll tell her myself.
