

# Ed Sheeran - Overpass Graffiti

tom:

Intro: Am G F7M

[Primeira Parte]

Am G  
This is a dark parade

F  
Another rough patch to rain on, to rain on

Am G  
I know your friends may say

F  
This is a cause for celebration

Hip-hip-hooray, love

[Pré-Refrão]

G  
Photographs in sepia tones, it's so still

Am7 F  
The fire's barely fighting the cold, alone

G  
There are times when I can feel your ghost

Am7 F  
Just when I'm almost letting you go

G  
The cards were stacked against us both

[Refrão]

C G Dm  
I will always love you, for what it's worth

C F  
We'll never fade like graffiti on the overpass

C G  
And I know time may change

The way you think of us

Dm  
But I'll remember the way we were

C F  
You were the first full stop

G  
Love that will never leave

Baby, you will never be lost on me

( Am G F7M )

[Segunda Parte]

Am G  
This is a goddamn shame

F7M  
I never wanted to break it

Or leave us tainted

Am G  
Know I should walk away

F7M

The cards were stacked against us both

[Refrão]
