

# Ed Sheeran - Overpass Graffiti

tom:

Intro: Am G F Am

[Primeira Parte]

Am This is a dark parade G  
Another rough patch to rain on, to rain on F  
Am I know your friends may say G  
This is a cause for celebration F  
Hip-hip-hooray, love

[Pré-Refrão]

G Photographs in sepia tones, it's so still  
The fire's Am barely fighting the cold, alone F  
There are times when I can feel your ghost G  
Just when I'm Am almost letting you go F  
The cards were stacked against us both

[Refrão]

C I will always love you, for what it's worth Dm  
We'll never fade like graffiti on the overpass C  
And I know time may change G  
The way you think of us  
Dm But I'll remember the way we were C F  
You were the first full stop G  
Love that will never leave  
Baby, you will never be lost on me  
( Am G F )

[Segunda Parte]

Am This is a goddamn shame G  
I never wanted to break it F  
Or leave us tainted  
Am Know I should walk away G  
F

But I just can't replace us  
Or even erase us  
[Pré-Refrão]

G The car was stuck, the engine stalled  
Am F And both of us got caught out in the snow, alone  
G There were times when I forget the lows  
Am F And think the highs were all that we'd ever known  
G The cards were stacked against us both  
[Refrão]

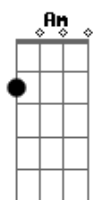

C I will always love you, for what it's worth Dm  
We'll never fade like graffiti on the overpass C F  
And I know time may change G  
The way you think of us  
Dm But I'll remember the way we were C F  
You were the first full stop G  
Love that will never leave  
Baby, you will never be lost on me  
( Am G )
