

Ed Sheeran - Perfect Duet (feat. Beyoncé)

```
Stronger than anyone I know
                                                                                                                     tom:
                                                                   A (forma dos acordes no tom de Ab )
                                                                                                                                                                                                                                                                           He shares my dreams
Capostraste na 1º casa
                                                                                                                                                                                                                                                                            I found a love
                                                                                                                                                                                                                                                                            To carry more than just my secrets
                                                                                                                                                                                                                                                                             To carry love, to carry children
                                                                                                                                                                                                                                                                            Of our own
 [Primeira Parte]
                                                                                                                                                                                                                                                                            We are still kids, but we're so in love
                                                                                                                                                                                                                                                                                             Em
I found a love
                                                                                                                                                                                                                                                                             Fightin' against all odds
                                                                                                                                                                                                                                                                             I know we'll be alright this time
For me
                                                                                                                                                                                                                                                                            G
Darling, just hold my hand
Oh darling, just dive right in And follow my lead
                                                                                                                                                                                                                                                                           Be your girl, you'll be my man
Well, I found a girl
                                                                                                                                                                                                                                                                             And I see my future in your eyes
                                   Em
Beautiful and sweet
                                                                                                                                                                                                                                                                             [Refrão]
Oh, I never knew you were the someone
                                                                                                                                                                                                                                                                                                      Em C
                                                                                                                                                                                                                                                                            Baby, I'm dancing in the dark
D Em
                              D
Waitin' for me
                                                                                                                                                                                                                                                                           With you between my arms C G
  'Cause we were just kids when we fell in love
Em Not knowin' what it was
                                                                                                                                                                                                                                                                             Barefoot on the grass
                                                                                                                                                                                                                                                                            Listening to our favourite song
I will not give you up this time % \left( 1\right) =\left( 1\right) \left( 1\right)
                                                                                                                                                                                                                                                                            When I saw you in that dress
But darling, just kiss me slow
                                                                                                                                                                                                                                                                            Looking so beautiful Em C
                                                       Em
Your heart is all I own
                                                                                                                                                                                                                                                                             I don't deserve this,
                                 C
And in your eyes, you're holding mine
                                                                                                                                                                                                                                                                             Darling you look perfect tonight
                                                                                                                                                                                                                                                                             (G Em C D)

When you said you looked a mess
                                                                                                                                                                                                                                                                           With you between my arms C G
                                                                                                                                                                                                                                                                            Barefoot on the grass
I whispered underneath my breath
                                                                                                                                                                                                                                                                            D Em
Listening to our favourite song
Now I know I have met an angel
                                                                                                                                                                                                                                                                             In person
                                                                                                                                                                                                                                                                             And she looks perfect
[Segunda Parte]
                                                                                                                                                                                                                                                                            No I don't deserve this
Well, I found a man
                                                                                                                                                                                                                                                                            You look perfect tonight
