Verse

Loving can hurt **C**  
Loving can hurt **Am**  
Loving can hurt sometimes **G**  
But it's the only thing that I know **F**

When it gets hard **C**  
you know it can get hard sometimes **Am**  
it is the only thing that makes us feel alive **G** **F**

pre chorus

**Am** **F**  
We keep this love in a photograph  
**C** **G**  
We made these memories for ourselves  
**Am**  
where our eyes are never closing  
**F**  
our hearts are never broken  
**C** **G**  
and time's forever frozen still

Chorus

**C**  
So you can keep me inside the pocket of your  
**G** ripped jeans holding me close until our  
**Am** **F**  
eyes meet, you won't ever be alone

Wait for me to come home **C**  
Loving can heal **C**  
Loving can mend your soul **Am**  
And it's the only thing that I know, know **G** **F**  
I swear it will get easier **C**  
remember that with every piece of ya **Am**  
And it's the only thing we take with us when we die **G** **F**  
**Am** **F**  
We keep this love in a photograph  
**C** **G**  
We made these memories for ourselves  
where our eyes are never closing **Am**  
our hearts are never broken **F**  
and times forever frozen still **C** **G**

**C**  
So you can keep me inside the pocket of your  
**G** ripped jeans holding me close until our  
**Am** **F**  
eyes meet, you won't ever be alone  
And if you hurt me that's ok baby, only **C**  
**G** words bleed inside these pages you just  
**Am** **F**  
hold me and I won't ever let you go

**Am**  
Wait for me to come home  
**F**  
Wait for me to come home  
**C**  
Wait for me to come home  
**G**  
Wait for me to come home

**C**  
Or you can fit me inside the necklace you got when you were  
**G** sixteen next to your heart beat where I  
**Am** **F**  
should be, keep it deep within your soul  
**C**  
And if you hurt me well that's ok baby, only  
**G** words bleed inside these pages you just  
**Am** **F**  
hold me and I won't ever let you go

**C**  
And when I'm away I will remember how you  
**G** kissed me under the lamppost back on sixth Street **Am**  
hearing you whisper through the phone **F**  
Wait for me to come home
