

Ed Sheeran - Salt Water

tom:
Capostrate na 4ª casa

[Primeira Parte]

^{Am} There's still so far to go
And I can't feel my toes
When the rain soaks through the heels
And slips to the sole
Yeah, the blades are two feet tall
I wade in green
I'm moving forward
To where God only knows
^{Am} Feel the wind's harsh refrain
Like the clouds grip my face
Saying it's alright to run
From all this pain
Oh, and when it's time to go
With one last breath
That's in my lungs
I'll scream, "It's all for love"
I'll scream, "It's all for love"

[Refrão]

Come and kiss me, salt water
Oh, finally, I feel at
Three or four degrees
I'm free in salt water
Embrace the deep
And leave everything
It was just a dream

[Segunda Parte]

I can see it up ahead
Where the sky meets the ground
And after that there's only moving grey
I am filled up with regret
With things I did or never said

Acordes

Just leave that well alone

[Refrão]

Come and kiss me, salt water
Oh, finally, I feel at
Three or four degrees
I'm free in salt water
Embrace the deep
And leave everything
It was just a dream

[Ponte]

Ah
It was just a dream
Was it just a dream?
It was just a dream
Ah-ah
It was just a dream
Was it just a dream?

[Terceira Parte]

Now I'm standing on the edge
Gazing into Hell
Or is it something else?
I just can't tell
When there's nothing left
I close my eyes and take one step
And say, "Well, here it goes"
Say, "Well, here it goes"

[Refrão]

Come and kiss me, salt water
Oh, finally, I feel at
Three or four degrees
I'm free in salt water
Embrace the deep and leave
Everything
It was just a dream
