

Ed Sheeran - Save Myself

Tom: **Bb**

(forma dos acordes no tom de **G**)
Capostrate na 3ª casa

G **D** **Em** **C**
I gave all my oxygen to people that could breath
G **D** **Em** **C**
I gave away my money and now we don't even speak
G **D** **Em** **D** **C**
I drove miles and miles, but would you do the same for me?
G **D** **G**
Oh ho-o-onestly

G **D** **Em** **C**
Offered off my shoulder just for you to cry upon
G **D** **Em** **C**
Gave you constant shelter and a bed to keep you warm
G **D** **Em** **D** **C**
They gave me the heartache and in return I gave a song
G **D** **G**
Its goes o-o-on and on

C **G** **D** **G**
Life can get you down so I just numb the way it feels
C **G** **D** **Em**
I drown it with a drink and out of date prescription pills
C **D** **Em** **D** **C**
And all the ones that love me they just left me on the shelf
A7
My farewell
Am **Am G C** **D G**
So before I save someone else, I've got to save myself

G **D** **Em** **C**
I gave you all my energy and I took away your pain
G **D** **Em** **C**
'Cause human beings are destined to radiate or dream
G **D** **Em** **D** **C**
What line do we stand upon 'cause from here it looks the same?
G **D** **G**
And only scars remain

C **G** **D** **G**
Life can get you down so I just numb the way it feels
C **G** **D** **Em**

I drown it with a drink and out of date prescription pills
C **D** **Em** **D** **C**
And all the ones that love me they just left me on the shelf
A7
My farewell
Am **Am G C** **D G**
So before I save someone else, I've got to save myself

Em **C**
But if I don't, hen I'll go back
G
To where I'm rescuing a stranger
D **Em**
Just because they needed saving just like that

C
Oh, I'm here again
G
Between the devil and the danger
D
But I guess it's just my nature
C
My dad was wrong

D
'Cause I'm not like my mum
Em **D** **C**
'Cause she'd just smile and I'm complaining in a song
A7
But it helps
Am **Am G C** **D G**
So before I save someone else, I've got to save myself

C **G** **D** **G**
Life can get you down so I just numb the way it feels
C **G** **D** **Em**
I drown it with a drink and out of date prescription pills
C **D** **Em** **D** **C**
And all the ones that love me they just left me on the shelf
A7
My farewell
Am **Am G C** **D G**
So before I save someone else, I've got to save myself
Am **Am G C** **D G**
And before I blame someone else, I've got to save myself
Am **Am G C** **D G**
And before I love someone else, I've got to love myself
