

## **Ed Sheeran - Save Myself**

```
Tom: Bb
 (forma dos acordes no tom de G )
Capostraste na 3º casa
I gave all my oxygen to people that could breath
  G D
I gave away my money and now we don't even speak
I drove miles and miles, but would you do the same for me?
 \mathsf{G} \mathsf{D} \mathsf{G}
Oh ho-o-onestly
Offered off my shoulder just for you to cry upon
                               Em
Gave you constant shelter and a bed to keep you warm
                                Em
They gave me the heartache and in return I gave a song
       G D G
Its goes o-o-on and on
Life can get you down so I just numb the way it feels
I drown it with a drink and out of date prescription pills
And all the ones that love me they just left me on the shelf
My farewell
                                  Am G C D G
So before I save someone else, I've got to save myself
I gave you all my energy and I took away your pain {\color{red} G}
'Cause human beings are destined to radiate or dream
What line do we stand upon 'cause from here it looks the same?
  G D G
And only scars remain
Life can get you down so I just numb the way it feels
```

I drown it with a drink and out of date prescription pills And all the ones that love me they just left me on the shelf So before I save someone else, I've got to save myself But if I don't, hen I'll go back G To where I'm rescuing a stranger Just because they needed saving just like that Oh, I'm here again Between the devil and the danger But I guess it's just my nature My dad was wrong 'Cause I'm not like my mum 'Cause she'd just smile and I'm complaining in a song But it helps  $\mathsf{Am}\ \mathsf{G}\ \mathsf{C} \qquad \mathsf{D}\ \mathsf{G}$ So before I save someone else, I've got to save myself Life can get you down so I just numb the way it feels I drown it with a drink and out of date prescription pills Em D And all the ones that love me they just left me on the shelf My farewell Am G C D G So before I save someone else, I've got to save myself Am G C D G And before I blame someone else, I've got to save myself And before I love someone else, I've got to love myself

## Acordes
