

Ed Sheeran - She

```
Tom: A
 I paid all my dues
 And she wanted to know
                           Eb D
 That I'd never leave her
 Now I'm ready to go
 And strange as it seems
 She's endless to me
                Е
 She's just like paperwork
             Е
But harder to read
 Patience, my enemy
 And loving's my friend
    D
 It's harder to leave
     Gbm
 With my heart on my sleeve
              Α
 Than to stay and just pretend A Db Gbm
 Oh, she knows me so well D E
 Oh, she knows me like I know myself
 I made all my plans
 And she has made hers
                           Eb D
 She kept me in mind
         E
 But I wasn't sure
 I searched every room
