

Ed Sheeran - Shirtsleeves

Tom: **D**

(com acordes na forma de
Capotraste na 2ª casa **C**)

I can taste salt water **C**
And if I blink again **Am**
We'll be sinking in **G**
So I'll learn to swim in the oceans you made **C**
I'll hold ya and you'll think of him **Am**
And pretty soon you'll be floating away **F**

And I'll hold on to the words you spoke of **C**
Anchored down in my throat, love **F**
And I'm captain of this sinking boat now **G**
With just one armband to carry me home **Am**

C
When salted tears won't dry **Am**
I'll wipe my shirtsleeve **F**
Under your eyes **G**
These hearts will be flooded tonight **C**
I'll wipe my shirtsleeves **Am**
Under your eyes **F**
Your eyes **G**
Your eyes **C**
Your eyes **Am**
Your eyes **F**

I still taste salt water **C**
On my lips from your kiss, bitterness **Am**
And I drown within the oceans you made **G**
And I hate to love you, these cuffs are covered in your make-up **C**

Am
I'll never trust you again **G**

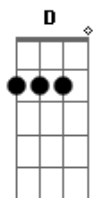

You can just be a friend **F**
And I'll hold on to the words you spoke of **C**
Anchored down in my throat, love **Am**
And I'm captain of this sinking boat now **G**
With just one armband to carry me home **F**

C
When salted tears won't dry **Am**
I'll wipe my shirtsleeve **F**
Under your eyes **G**
These hearts will be flooded tonight **C**
I'll wipe my shirtsleeve **Am**
Under your eyes **F**

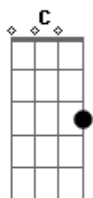

C
Your eyes, your lips, your mouth **G**
Your thighs, your back, you drive me wild **Am**
Tonight, the fact is I'm **F**
I'm on my way home **C**
On the way home **Am**
I lied, I tried to cry but I'm **F**
I'm drowning in the oceans you made **C**

C
When salted tears won't dry **Am**
I'll wipe my shirtsleeve **F**
Under your eyes **G**
These hearts will be flooded tonight **C**
I'll wipe my shirtsleeve **Am**
Under your eyes **F**
Your eyes **G**
Your eyes **C**
Your eyes **Am**
Your eyes **F**
