

# Ed Sheeran - So

Tom: A

(com acordes na forma de Capotraste na 2ª casa

Filled up with doubt  
 I have to move home  
 But I wanna stay with you  
 For all of the summer  
 I have my plan  
 That you won't remember  
 If you want to see the world  
 Then please ask your mother

I cannot hold your hand  
 To watch you go  
 I Am A liar  
 As you might know  
 I need you now  
 I need your touch and your lips  
 I need that smile and your kiss

You're so cool  
 You're so beautiful  
 You're so you're so  
 You're so cool  
 You're so beautiful  
 You're so you're so

I see your grace  
 From my window  
 When it is late at night  
 It'll show me your shadow

G )

I'm in my place  
 Hope you remember  
 When summer is gone I'll still sing a song  
 With you in September

I cannot hold your hand  
 To watch you go  
 I Am A liar  
 As you might know  
 I need you now  
 I need your touch and your lips  
 I need that smile and your kiss

You're so cool  
 You're so beautiful  
 You're so you're so  
 You're so cool  
 You're so beautiful  
 You're so you're so

These words I say mean  
 You're so amazing  
 I've noticed lately I  
 Need you maybe  
 These words I say mean  
 You're so amazing  
 I've noticed lately I  
 Need you maybe

You're so cool  
 You're so beautiful  
 You're so you're so
