I took the supermarket flowers from the window sill
               Em7
Threw the day mid tea from the cup
            G
Packed up the photo album Matthew had made
Memories of a life that?s been loved
Took the get well soon cards and stuffed animals
                 Em7
Poured the old ginger beer down the sink
Dad alwas told me don?t you cry when you?re down
                          G
But mum there?s a tear every time that I blink
Oh I?m in pieces it?s tearing me up but I know
            Am
A heart that?s broke is a heart that?s been loved
                     Em7
                            you were an angel
So I?ll sing Hallelujah,
C Em7
In the shape of my mum
                                 When I fall down you?d be
Holding me up spread your wings as you go and when
                           C
                                  G
God takes you back We?ll say Hallelujah, you?re home
```

```
I fluffed the pillows, made the beds, stacked the chairs up
                      Fm7
Folded your nightgowns neatly in a case
   John said he?d drive then put his hand on my cheek
                    G
And wiped a tear from the side of my face
 I hope that I see the world as you did cause I know
             Am
A life with love is a life that?s been lived
                            you were an angel
So I?ll sing Hallelujah,
                     Em7
In the shape of my mum
