

Ed Sheeran - The Hills of Aberfeldy

tom:
E

[Primeira Parte]

Oh, leaves are covered in snow

And the water's frozen

Oh, I long for you to be the one

That I'm holding

And warm me down to my bones

As you lay beside me, hold me close

Oh, leaves are starting to fall

And the sun grows cold

And my heart might break

From the weight of it all

For all that I know

You could be holding

Somebody else as close

[Refrão]

When I'm home

I'll hold you like I'm s'posed to

Yet I know

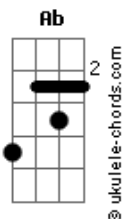

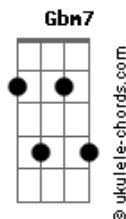

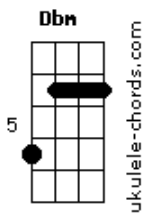

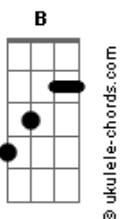

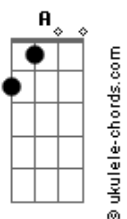

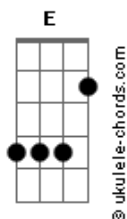

That I have never told you

Darling, we could fall in lov?

'Neath the hills of Aberfeldy

[Segunda Parte]

Acordes

Oh, ground is slowly melting
And the sun beats strong
And I feel like my feet may have
Wandered too long
And I will remain here alone
'Coz I fear that you may have
Found someone

[Refrão]

When I'm home
I'll hold you like I'm s'posed to
Yet I know
That I have never told you
Darling, we could fall in lov?
'Neath the hills of Aber-feldy
Darling, we could fall in lov?
'Neath the hills of Aber-feldy

[Terceira Parte]

Wherever I go

I will always find

Another stranger to share in the weight of my crimes

And I know

You will never find

Another heart that wants you more than mine
