

## **Ed Sheeran - The Joker And The Queen**

And you went all in tom: With a single word [Primeira Parte] And a gentle touch You turned a moment How was I to know? C Into forever It's a crazy thing [Refrão] I showed you my hand And you still let me win And I know you could fall And who was I to say For a thousand kings And hearts that would give you That this was meant to be? The road that was broken A diamond ring Brought us together When I fold [Refrão] You see the best in me The joker and the queen And I know you could fall Dm For a thousand kings And hearts that would give you [Refrão] A diamond ring And I know you could fall When I fold For a thousand kings G You see the best in me And hearts that would give you The joker and the queen A diamond ring [Segunda Parte] When I fold You see the best in me I was upside down The joker and the queen From the outside in F G C The joker and the queen You came to the table

## **Acordes**
