

Ed Sheeran - The Sea

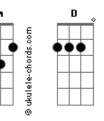

```
Tom: C
 (forma dos acordes no tom de G)
Capostraste na 5ª casa
Intro: G C G C
Pass me a drink
You say it?s gonna take a while
Your consciousness sinks
Tears from a crocodile
You?re wasting your time \frac{\mathsf{G}}{\mathsf{G}}
Giving me the speech
You try to, don't reach
Your smile
Your?e holding your tears
Your inside is dead
You?re eating your fears
In a cigarette
You?ve waited too long
To finally see
The sunshine in the rain
```
