

Ed Sheeran - The Vow

tom:
C

When we met, we were scared, we were lost, we were young
C G Am

On the edge, on the brink, on the run
Gm F

But the moment my eyes met your gaze
C G

It's like a door opened up on that day
C

Then we talked, then we danced, then we touched
G Am

Then we laughed, then we kissed, then we stopped
Gm7 F

'Cause I knew if I kissed you again
C G

We would start something that never ends
F

I promised you all of my days
Am F

I'll swear it again and again
G

Words are just words
C

But I need you to know
G Am

That beyond to have and hold
Am Gm F

That my vow to you is to love you and never let go
C G

We've been through hurt
C

But I've thanked the broken road
G Am

That let me into your arms
Gm F

And my vow to you is to love you and never let go
C G

Now we're here (Now we're here)
C

Now we've lived, now we've cried, now we've seen (Now we've seen)
G Am

All the lows, all the highs in between (In between)
Gm7 F

I was there on your darkest of nights
C G

And you were there for mine right by my side
C

We made breath, we made blood, we made lives
G Am

We lost friends and faith, we lost sight
Gm F

And when all of these moments have come
C G

We have walked through the fire as one
F

We're stronger from joy and from pain
Am

Our love is the thing that remains
F G

Words are just words
C

But I need you to know
C G Am

That beyond to have and hold
Gm F

That my vow to you is to love you and never let go
C F G

We've been through hurts
C

But I think they're broken bones
G Am

That lead me into your arms
Gm F

And my vow to you is to love you and never let go
C F G

Hey, it doesn't matter
Dm Am

We make a mess of it, we'll get through anything, yeah
C G Dm

Now we're forever
Am

I want the rest of it, I want the rest of it
G

Words are just words
C

But I need you to know
Am Gm F

That beyond to have and hold
C G

That my vow to you is to love you and never let go
C

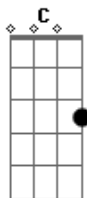

We've been through hurt
G Am

But I think the broken rope (Broken rope)
Gm F

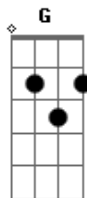

That led me into your arms (In those arms)
C F

And my vow to you is to love you and never let go
C F G
