

Ed Sheeran - Thinking Out Loud

tom:

[Primeira Parte]

When your legs don't work
Like they used to before
And I can't sweep you
Off of your feet
Will your mouth still remember
The taste of my love
Will your eyes still smile
From your cheeks

And darling I will be loving you
Till we're seventy
And baby my heart could still fall as
Hard at twenty-three
I'm thinking 'bout how

[Pré-Refrão]

People fall in love in mysterious ways
Maybe just the touch of a hand
Well, me I fall in love with you
Every single day
And I just wanna tell you I am

[Refrão]

So, honey, now
Take me into your loving arms
Kiss me under the light
Of a thousand stars
Place your head on my beating heart
And I'm thinking out loud
That maybe we found love
Right where we are

[Segunda Parte]

When my hair's all but gone
And my memory fades
And the crowds
Don't remember my name
When my hands don't play the strings
The same way

I know you will still
Love me the same

'Cause honey your soul can never grow
Old it's evergreen
Baby your smile's forever in my mind
And memory
I'm thinking 'bout how

[Pré-Refrão]

People fall in love in mysterious ways
Maybe it's all part of a plan
Oh, I'll just keep on making
The same mistakes
Hoping that you'll understand

[Refrão]

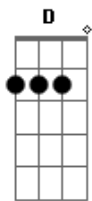

So, baby now
Take me into your loving arms
Kiss me under the light
Of a thousand stars
Place your hand on my beating heart
And I'm thinking out loud
That maybe we found love
Right where we are

(D Bm7 G A)
(D Bm7 G A)

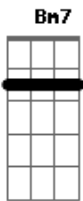

[Refrão Final]

So, baby, now
Take me into your loving arms
Kiss me under the light
Of a thousand stars , oh darling
Place your head on
My beating heart
And I'm thinking out loud
Maybe we found love
Right where we are
Maybe we found love
Right where we are
And we found love
Right where we are
