

Ed Sheeran - Thinking Out Loud

Tom: **D**

[Primeira Parte]

D
When your legs don't work
Like they used to before
D
And I can't sweep you
Off of your feet
D
Will your mouth still remember
The taste of my love
D
Will your eyes still smile
From your cheeks

D
And darling I will be loving you
Till we're seventy
D
And baby my heart could still fall as
Hard at twenty-three
D
I'm thinking 'bout how

[Pré-Refrão]

Em
People fall in love in mysterious ways
Em
Maybe just the touch of a hand
Well, me I fall in love with you
Every single day
And I just wanna tell you I am

[Refrão]

D
So, honey, now
G A
Take me into your loving arms
A
Kiss me under the light
Of a thousand stars
A
Place your hand on my beating heart
And I'm thinking out loud
That maybe we found love
Right where we are

[Segunda Parte]

D
When my hairs all but gone
And my memory fades
D
And the crowds
Don't remember my name
D
When my hands don't play the strings
The same way

D
I know you will still
Love me the same

D
'Cause honey your soul can never grow
Old it's evergreen
D
Baby your smile's forever in my mind
And memory
G
I'm thinking 'bout how

[Pré-Refrão]

Em
People fall in love in mysterious ways
Em
Maybe it's all part of a plan
Oh, I'll just keep on making
The same mistakes
Hoping that you'll understand

[Refrão]

D
So, baby now
G A
Take me into your loving arms
A
Kiss me under the light
Of a thousand stars
A
Place your hand on my beating heart
And I'm thinking out loud
That maybe we found love
Right where we are

(**D G A**)
(**D G A**)

[Refrão Final]

D
So, baby, now
G A
Take me into your loving arms
A
Kiss me under the light
Of a thousand stars
G A
Place your hand on
My beating heart
And I'm thinking out loud
Maybe we found love
Right where we are
Maybe we found love
Right where we are
And we found love
Right where we are
