

Ed Sheeran - U.N.I

Tom: **E**

Verso 1:

E
I found your headband on my bedroom floor
The only evidence that you'd been there before **Dbm**
And I don't **A** get waves of missing you any more
E
They're more like tsunami tides in my eyes
Never get things right, so i get high
Smoke with the days, never sleep with the light on

Weeks pass in a blink of an eye and I'm still drunk at the end of the night

Dbm **A**
I don't drink like everybody else

End up to forget things about myself
E
Stumble and fall, in a head spin i got

My mind is with you but my heart just not

Pré-Refrão:

Gbm **A**
So am I close to you anymore if it's over
Gbm **A** **B**
And there's no chance that we'll work it out

Refrão:

E
That's why you and I, ended over U.N.I
Dbm **A** **E**
And I said that's fine, but you're the only one that knows I lied
E
You and U, ended over U.N.I
Dbm **A** **E**
And I said that's fine, but you're the only one that knows i lied

Verso 2:

E
Everybody said that we'd be together forever but I know that I never wanna settle
down, come around

Break up the love like lego land
Dbm **A**
Never wanna turn into another like you

Sleep with my thoughts, and starts with my views
E
Everything's great but everything's short

Like you live in your hall and I live in my tour bus
E

Now I'm in the position to be another stalker

That everything I say always seems to sound awkward
Dbm **A**
Like our last kiss it was perfect

We were nervous, on the surface
E
And I'm always saying everyday that it was worth it

Pain is only relevant if it still hurts

I forget like an elephant or we can use a sedative

And go back to that day we fell in love

Just on our first kiss

Pré-Refrão:

Gbm **A**
So am I close to you anymore, if it's over
Gbm **A** **B**
And there's no chance that we'll work it out

Refrão:

E
That's why you and I, ended over U.N.I
Db **A** **E**
And I said that's fine, but you're the only one that knows i lied
E
You and I, ended over U.N.I
Db **A** **E**
And I said that's fine, but you're the only one that knows i lied

Ponte:

Db **A** **E**
Because if, I was gonna go somewhere

I'd be there by now

Db **A** **E**
And maybe I can let myself down
Db **A** **E**
ohh,i thinkin that I'm unaware

E **Db** **A**
I keep my feet on the ground, and keep looking around to make sure I'm not the only one to feel low

Db **A** **E**

Because if you want... i'll take you in my arms and keep you sheltered

E
From all that I've done wrong
Db **A**

Db **A**
And I know you'll say... That I'm the only one but I know that God made another one of me

E **E**
to love you better than I ever will

Acordes
