

Ed Sheeran - Wake Me Up

Tom: **A**

(com acordes na forma de **G**)

Capotraste na 2ª casa

G
I should ink my skin

C
With your name

G
And take my passport out again

C
And just replace it

G
See i could do without a tan

C
On my left hand, where my fourth finger meets my knuckle

G
And i should run you a hot bath

C
And fill it up with bubbles

C
Cos maybe you're loveable

D
And maybe you're my snowflake

G
And your eyes turn from green to gray and in the winter i'll

C
Hold you in a cold place

C
And you should never cut your hair

D
Cos i love the way you flick it off your shoulder mmm

C
And you will never know just how beautiful you are to me

C
But maybe im just in love when you wake me up

G
would you ever feel guilty if you did the same to me.

C
would you make me a cup of tea, to open my eyes in the right way?

G
and i know you love shrek, cause we have watched it 12 times

C
but, maybe you're hoping for a fairy tale too, but if

G
Your dvd breaks today,

C

You should have got a vcr, because i'm never on blueray on tuesday.

G
And ive always been shit at computer games, and your brother always beats me,

C
And if i lost, id go across, then id chuck all the

D
Controllers at the tv, then you'd laugh at me and be

Asking me, if i'm gonna be home next week,

C
And youd lie with me, until i fall asleep

D
And flutter eyelash on my cheek through the sheets

C
And you will never know,

D
Just how beautiful you are to me,

G **C**
But maybe im just in love when you wake me up

D **G** **D** **D** **G**

G
and i think you hate the smell of smoke,

C
You always try get me to stop,

D
But you drink as much as me, and i get drunk a lot,

G **C**
So i take you to the beach, and walk along the sand,

D

G
And i'll make you a heart pendant, with a pebble held in my hand

C
And i'll carve it like a necklace, so the heart falls where your chest is

D
And now a piece of me, is a piece of the beach, and it falls just where it needs to be,

G
And rests peacefully

G **C**

D
You just need to breathe, to feel my heart against yours now, against yours now.

C
But maybe im just in love when you wake me up. x2

C
Maybe i'll fell in love, when you woke me up
