

Ed Sheeran - What Do I Know?

```
(com acordes na forma de C )
Capostraste na 4º casa
Ain't got a soapbox I can stand upon
                    Em
But God gave me a stage, a guitar and a song
My daddy told me "Son, don't you get involved in F \stackrel{\text{Em}}{\text{F}} \stackrel{\text{F}}{\text{G}}
Politics, religions or other people's quarrels"
I'll paint the picture, let me set the scene
                             Am G
I know when I have children they will know what it means
And I pass on these things my family's given to me
Just love and understanding, positivity
We could change this whole world with a piano
  G F Em F
Add a bass, some guitar, grab a beat and away we go
                       Am
I'm just a boy with a one-man show
G F Em F
No university, no degree But Lord knows
                    Am
everybody's talking 'bout exponential growth
                     Em
And the stock market's crashing in their portfolios
                   G Am
While I'll be sitting here with a song that I wrote
                    Em
Sing, love could change the world in a moment
But what do I know?
                       Fm
 Love can change the world in a moment
But what do I know?
 Love can change the world in a moment
The revolutions coming its a minute away
                  Em
I saw people marching in the streets today
                      G Am
You know we are made up of love and hate
                   Em
but both of them are balanced on a razor blade
  I'll paint the picture, let me set the scene
                             Am G
I know I'm all for people following their dreams
                             Am G
```
