

# Ed Sheeran - Wild Mountain Thyme

Tom: G

Oh the summer time is coming

And the trees are sweetly blooming

Where the wild mountain thyme

Grows around the blooming heather

Would you go lassie go?

And we'll all go together

Where the wild mountain thyme

Grows around the blooming heather

Would you go lassie go?

I will build my love a bower

On yon pure crystal fountain

And around it I will place

All the colours of the mountain

Would you go lassie go?

And we'll all go together

Where the wild mountain thyme

Grows around the blooming heather

Would you go lassie go?

Would you go lassie go?

If my true love were gone

Then I'll surely find another

And to her I will sing/say

Things that make her know I want her

Would you go lassie go?

And we'll all go together

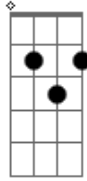

Where the wild mountain thyme

Grows around the blooming heather

Would you go lassie go?
