

## Edd Risa - Silêncio

tom:

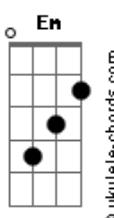

Bm

Intro: Bm7, G, Bm7, G, Em7, Gb7

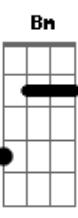

Bm7                    G                    Db                    Bm  
 No silêncio eu tenho que ficar, eu não posso falar, mas deixo  
 no ar  
 G                      Em  
 O vento das minhas palavras a sussurra  
 Gb7                    Bm7  
 As batidas do meu coração espero que possa escutar  
 Bm7                    G                    Db  
 Bm                      Bm  
 O coração dispara, a alma quer gritar, mas você não vê, meus  
 sentimentos no olhar  
 G                      Em  
 Meus sentimentos, escondidos em cada gesto que te dou  
 Gb7                    Bm7

E no silêncio que resta finjo não me importar  
 Bm7                    G                    Db  
 Bm                      Bm  
 Mas por dentro a vontade, é de te beijar, sentir sua boca na  
 milha e sua língua molhar  
 G                      Em                    Gb7  
 Na esperança deixar o amor nos guiar para um destino onde  
 possamos nos amar  
 B7                      Em7                A                    D                    G                    C#m-  
 Gb7                    Bm7  
 Temos que unir nossos corpos nesta melodia só eu e você  
 vamos sorrir e dançar  
 B7                      Em7                A                    D                    G  
 C#m-  
 Nessa noite de Luar                    entre as estrelas, você brilhará  
 Vamos se em envolver porque  
 Gb7                    Bm7  
 Quero prevalecer
