G She goes with all the guys from outta my class

D She's sure fine lookin' man, she's ^{**D**}somethin else

Hey, look a-^{**D**}there, across the street ^{**D**}

D There's a car made just for me

To own that car would be a luxury

A But my dollar can't afford the gas

G A brand new convertible is outta my class

D ^{**D**}

That car's fine lookin' man, it's somethin else

Hey, look a-^{**D**}here, just wait and see ^{**D**}

D Worked hard and saved my dough

I'll buy that car that I been wanting so

A Get me that girl and we'll go ridin' around

G We'll look real sharp with the flight top down

D When it all comes true man, wow, that's somethin else ^{**D**}

Look a-^{**D**}here, what's all this ^{**D**}

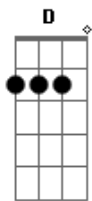

D Never thought I'd do this before

A My car's out front and it's all mine

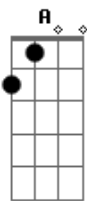

G Just a forty-one ford, not a fifty-nine

D ^{**D**} She's sure fine lookin' man, wow, she's somethin else
