

# Eddie Cochran - Teenage Heaven

Tom: **Ab**

(com acordes na forma de **G**)  
Capostrate na 1ª casa

I want a house with a pool, shorter hours in school,  
and a room with my own private phone.  
I wanna stay up all night, see the big city lights,  
no more troubles, or worries at home.

CHORUS:

Mmm, just gimme some time on my hands.  
I wanna make, my own, private plans.  
Yeah, I want my own Coupe de Ville..

make my dad pay the bill..  
Yeah man, that's Heaven, to me.

(INTERLUDE: SAX)

CHORUS:

Mmm, just gimme some time on my hands.  
I wanna make, my own, private plans.  
Yeah, I want my own Coupe de Ville..

OUTRO:

Mmmm... yeah man, that's Heaven, to me.
