

Eddie Cochran - Twenty Flight Rock

Tom: **A**

Riff and power chords tabbed by Halfdan Baadsvik.
Intro: **A**

A
I've got a girl with a record machine
D
When it comes to rockin, she's a queen
A
We love to dance on a Saturday night
All alone where I can hold her tight
E7
But she lives on 20th floor uptown
A
And the elevator has broken down

During the verses the riff goes like this:

A **D** **A E7** **A**

A
So I walk one, two flight, three flight, four
D
Five, six, seven flight, eight flight more
At 12th I'm startin' to sag
A
15th floor I'm ready to drag
E7 **D** **A**
Get to the top, I'm too tired to rock

The chorus (above) is played with these power chords:

A = **A** - 57XXXX
D = **D** - X57XXX

Acordes

E7 = **E** - X79XXX

She called me up on the telephone
Said: "Come over, baby. I'm all alone."
I said: "Sorry, baby. You're mighty sweet,
but I'm in bed achin' feet."
This went for a couple of days
But I could not stay away

So I walk one, two flight, three flight, four
Five, six, seven flight, eight flight more
At 12th I'm startin' to sag
15th floor I'm ready to drag
Get to te top, I'm too tired to rock

A A A A D D A A E7 D A A

They sent it to Chicago for repairs
'Til it's fixed I'm usin' the stairs
I have to get there before it's to late
My baby couldn't bear much to wait
All this climbin' is gettein' me down
You'll find my corps draped over a rail

But I fly one, two flight, three flight four
Five, six, seven flight, eight flight more
At 12th I'm startin' to sag
15th floor I'm ready to drag
Get to the top, I'm too tired to rock

And that's it.
Comments welcome.
